

THE SCHEDULE

<u>ITEM</u>	<u>SUPPLIES/SERVICES</u>	<u>QTY</u>	<u>UNIT</u>	<u>AMOUNT</u>
-------------	--------------------------	------------	-------------	---------------

(a) The contractor shall supply all labor, equipment, materials, tools, and facilities necessary to perform overhaul work on the R-12 Aircraft Refueling Hydrant Truck. The overhaul work shall be performed in accordance with the Appendix A, Work Specification, and the terms and conditions of the contract resulting from this Request for Proposal (RFP). This RFP will result in a requirements-type contract as defined in FAR 16.5.

The quantities reflected in the Schedule represent the Government's Best Estimated Quantities (BEQs). Units input may be any combination of NSNs identified below.

BASIC CONTRACT PERIOD. (The prices in the Basic Contract Period shall be in effect from the effective date of the contract for a period of 12 months). Specific dates will be established upon award of the contract.

(b) The fixed unit prices established for Contract Line Item Numbers (CLINs) 0001-0003 do not include the work set forth in CLIN 0006. In the event the Procuring Contracting Officer (PCO) should issue an order hereunder, a separate Statement of Work will be provided. The fixed hourly rate of \$_____ will be used by the contractor and the Administrative Contracting Officer (ACO) in negotiating a price. The fixed hourly rate includes all charges for direct and indirect labor, indirect parts and materials, applicable overhead expenses and profit, but shall not include direct parts and material. The number of direct labor hours, parts, materials, and delivery will be negotiated between the contractor and the ACO. The contractor shall prepare work request proposals for necessary items in the format and detail prescribed by the ACO. The contractor shall be directed in writing by the ACO to perform the work required at the negotiated price. The BEQ is 1 each per year.

0006 Unscheduled Depot Level Maintenance Work. Individual Statements of Work will be provided by the PCO should work be required under this CLIN.

(c) The fixed unit prices for CLINs 0001-0003 do not include the work set forth in CLIN 0007. The PCO or his/her authorized representative will issue orders for work via CLIN 0007. Should an order be issued hereunder, a separate statement of work will be provided and the fixed hourly rate of \$_____ will be used in negotiating a price. The fixed hourly rate shall include all charges for direct and indirect labor, indirect parts and materials, applicable overhead expenses and profit, but shall not include direct parts and materials. The number of direct labor hours, all direct parts and materials, and delivery will be negotiated between the contractor and the PCO (See clauses relative to over and above work). The BEQ is 1 each per year.

0007 Engineering Services as required.

(d) The fixed prices set forth in CLINs 0001-0003 include all direct and indirect labor, direct and indirect material, factory overhead and profit for overhaul of the cab in accordance with Appendix A, paragraph 3. In the event that replacement of the cab, as defined in the Appendix A, is required under Item 0008 below, and

the ACO concurs in the requirement, the contractor shall be directed in writing by the ACO in accordance with the clauses hereof entitled "Over and Above Work Procedures" to perform the work required. For the accomplishment of this work, the applicable fixed price set forth below shall apply.

5005	Warranty (\$NSP)**	1	LO

(b) The fixed unit prices established for Contract Line Item Numbers (CLINs) 5001-5003 do not include the work set forth in CLIN 5006. In the event the Procuring Contracting Officer (PCO) should issue an order hereunder, a separate Statement of Work will be provided. The fixed hourly rate of \$_____ will be used by the contractor and the Administrative Contracting Officer (ACO) in negotiating a price. The fixed hourly rate includes all charges for direct and indirect labor, indirect parts and materials, applicable overhead expenses and profit, but shall not include direct parts and material. The number of direct labor hours, parts, materials, and delivery will be negotiated between the contractor and the ACO. The contractor shall prepare work request proposals for necessary items in the format and detail prescribed by the ACO. The contractor shall be directed in writing by the ACO to perform the work required at the negotiated price. The BEQ is 1 each per year.

5006 Unscheduled Depot Level Maintenance Work. Individual Statements of Work will be provided by the PCO should work be required under this CLIN.

(c) The fixed unit prices for CLINs 5001-5003 do not include the work set forth in CLIN 5007. The PCO or his/her authorized representative will issue orders for work via CLIN 5007. Should an order be issued hereunder, a separate statement of work will be provided and the fixed hourly rate of \$_____ will be used in negotiating a price. The fixed hourly rate shall include all charges for direct and indirect labor, indirect parts and materials, applicable overhead expenses and profit, but shall not include direct parts and materials. The number of direct labor hours, all direct parts and materials, and delivery will be negotiated between the contractor and the PCO (See clauses relative to over and above work). The BEQ is 1 each per year.

5007 Engineering Services as required.

(d) The fixed prices set forth in CLINs 5001-5003 include all direct and indirect labor, direct and indirect material, factory overhead and profit for overhaul of the cab in accordance with Appendix A, paragraph 3. In the event that replacement of the cab, as defined in the Appendix A, is required under Item 5008 below, and the ACO concurs in the requirement, the contractor shall be directed in writing by the ACO in accordance with the clauses hereof entitled "Over and Above Work Procedures" to perform the work required. For the accomplishment of this work, the applicable fixed price set forth below shall apply.

5008 Replacement of Cab as required
BEQ: 3

Tri-State: _____
Beta: _____
Kovatch: _____

(e) The fixed price set forth in CLIN 5008 does not include the work set forth for CLIN listed below. The contractor shall submit its request for work on this CLIN in writing to the ACO and if the ACO concurs, a firm-fixed price will be negotiated between the ACO and the contractor before the contractor begins work.

5009 Tri-State Cab in Like-New Condition
In Accordance With Appendix A

(f) The fixed prices set forth in the above CLINs do not include the following work set forth in CLINs 5010 through 5011 listed below. In the event work is determined to be required under these CLINs, and the Administrative Contracting Officer (ACO) concurs in the requirement, the contractor shall be directed in writing by the ACO in accordance with Clauses 252.217-7028 and 5352.291-9000 to perform the work required. For the accomplishment of any over and above work, the fixed prices set forth below shall apply.

5010 Quick Disconnect Couplings EA \$_____

BEQ: 4 per year

5011 Bag & Valve Assembly for Surge Suppressor EA \$_____

BEQ: 4 per year

* To Be Identified in Each Delivery Order Issued Hereunder

** Not Separately Priced (NSP). The cost associated with all Data items and warranty shall be included in the cost of the vehicle.

Note1: The following CLINs are firm fixed price: X001-X011

Note 2: The BEQs identified in The Schedule of the RFP are based on the Government's best estimate and do not represent a minimum or a maximum quantity. Failure of the Government to order the BEQ quantity shall not entitle the contractor to an equitable adjustment in price under the Government Property Clause of the contract.

Note 3: "Ship To/Mark For" Information: Vehicles shall be returned to the base of origin unless Amended Shipping Instructions are issued.

Note to Contractor:

FAR 52.212-4(c), Changes, is modified to read as follows:

Changes in the terms and conditions of this contract may be made only by written agreement of the parties, except that Unilateral Amended Shipping Instructions(ASIs), F.O.B. Origin and other administrative changes, incorporated into this contract may be processed unilaterally.

NOTIFICATION REGARDING ADMINISTRATIVE PROBLEMS: If at any time during the performance of this contract, administrative problems should arise which will have an adverse impact on timely performance by the Contractor or affect the contract price, the Contractor is required to immediately notify WR-ALC/LEKVB, 295 Byron St., Robins AFB GA 31098-1611, and the cognizant Administrative Contracting Officer (ACO).

ACCELERATED DELIVERY: The Contractor is authorized to exceed the delivery rate, or to complete performance of the contract prior to the time set forth in the schedule; provided, however, that nothing contained herein shall obligate the Government to perform any of its obligations to the Contractor at an earlier date than set forth in the contract in order to assist the Contractor to make deliveries on an accelerated basis.

All data items identified in Section B, The Schedule, are required for performance of this contract and therefore shall be considered an end item to which FAR 49.402-1(a) is applicable. If the contractor fails to deliver data items in accordance with the contract terms and conditions, the contractor shall be deemed to have failed to make delivery within the meaning of FAR 52.212-4, paragraph (m). Such failure may be used as a basis for Termination of Default.

NOTE TO CONTRACTOR: Contact CTO if problems arise. Ship door-to-door commercial express carrier service for movement of MICAP and project codes (TP-1 and TP-2/RDD777): 122, 123, 700, 780 (with restrictions), 879, 880, 9BU, 9FF, 9FS, 9GF, 9FV, 9FG, and SURGE.
